Dear Sirs

Your Ref: Hopetoun, Bucksburn, Aberdeen ROW/18/6/RG/JAS/cbm

Thank you for your enquiry of 4th May 04.

The National Catalogue of Rights of Way does not show any rights of way within the delineated area. However, the Catalogue is not complete and there could be routes there that meet the necessary conditions but have never been recorded.

We ask for a contribution of £50.00 towards the research expenses of the enquiry for which *our invoice is attached.*

May I say that neither the Society nor its individual officers carries professional indemnity insurance and that in these circumstances any advice that we give, while given in good faith, is always given without recourse.

Yours faithfully

Jo Doake
